EUNJU LEE

EDUCATION

2021-2025 School of Visual Arts
2017-2021 Seoul Scholars International school

WORK & EXPERIENCE

2022 - 2023 **3D ART INSTALLATION**
Design the 3D art installation for exhibition with the theme of combination of life-sound and wine glasses.

2018 - 2019 **OBJECT CONCEPTUALIZATION / PAMPHLET DESIGN**
Works are related with 3D installation art. Design and set the concept for the space and the objects. Design the introducing exhibition pamphlet.

2022 - 2023 **DESIGN THE GRADUATION ALBUM**
Design the outline of album content for seniors in highschool year. Handle the cover and overall concept design.

2022 - 2023 **THE SCHOOL'S ART CLUB LEADER**
Create school event posters, banner for building. Showcase my own art and gain valuable leadership and communication skills through a variety of activities and project.

INTERESTS

Playing basketball is enjoyable interest for me, both as a spectator and as a player. Being a part of the high school basketball team allowed me to build strong relationships and learn how to cooperate with my teammates.
